

EAIE Spring Academy 2015

Group work on comparison table (inspired by the JOICON project)

Joint programmes

Question	Partner 1	Partner 2	Partner 3	Partner 4	Partner 5
1. Extent and structure of the three cycles study programmes, particular requirements in terms of content (thesis length, doctoral defence, compulsory labour-market elements etc.)					
2. Possibility to award a joint diploma					
3. Admission requirements					
4 Who gives permission for setting up new study programmes?					
5. What is the tuition-fee level? Who decides on fees?					
6. Which is the national quality assurance system? (programme or institutional level, other)					
7. What assessment methodology is used?					
8. Which activities promote student employability? How would a joint programme influence current practice?
