

RECOMMENDATIONS
FOR HEIs INTERNATIONAL RELATIONS OFFICES

How Things Can Be Done Better

1. Development and updating of HEIs English websites
2. Development and improvement of courses in foreign languages for prospective international students
3. Establishment of horizontal links between IROs of Georgian universities in order to
 - a. lobby common interests (including legal changes) in the Ministry of Education and Science and National Center for Education Quality Enhancement (local accreditation agency)
 - b. organize jointly welcome meetings and cross-cultural trainings for incoming students and staff
 - c. organize jointly PDOs (pre-departure orientation meetings) for outgoing Georgian students
 - d. participate in the development of national strategy on internationalisation of higher education in Georgia
